IF YOU DO NOT AGREE WITH THESE TERMS AND RESTRICTIONS, PROMPTLY RETURN THE UNUSED SOFTWARE, ACCOMPANYING WRITTEN MATERIALS AND PACKAGING WITH DATED PROOF OF PURCHASE TO THE PLACE WHERE YOU OBTAINED THEM WITHIN THIRTY (30) DAYS FROM PURCHASE AND YOU WILL RECEIVE A FULL REFUND.

1. Grant of License

XP Solutions grants you a nonexclusive, non-transferable license to use this program (the "Software") and its manual and other accompanying material ("Documentation") with equipment owned by you or under your control, according to the terms and conditions of this Agreement.

- 1.1 Single Site Version: Unless otherwise specified, this software is a single license. The product may be used without time limit on personal computers or workstations within the site (except where obtained under a lease or rental agreement refer to 1.7). Your provided standalone USB key will authorize the program to run.
- 1.2 Local Area Network Version (LAN): If this Software is a local area network version, you may use it only over an internal [local] area network environment with the XP Solutions local area network lock. You may only install and operate the Software on a single server computer in a single office location with the maximum number of concurrent users being the number of user licenses owned and programmed into the USB key within the same office location. The number of concurrent users within the single office location can only be increased by purchasing additional concurrent user licenses.
- 1.3 Wide Area Network Version (WAN): If this Software is a wide area network version, you may use it with the provided XP Solutions wide area network lock at any location within national boundaries. It is a requirement that you establish protocols to ensure that only users within the same country as the wide area network license can use this application. The number of concurrent users within each country can only be increased by purchasing additional licenses. A minimum of two WAN licenses must be purchased to qualify for this license.
- 1.4 Educational Version: If this Software is an educational version, you may use it only for the purpose of training and instruction, and for no other commercial, professional, or for-profit purposes. The product may be used for twelve (12) months (except where obtained under a lease or rental agreement refer to 1.8)
- 1.5 Demonstration/Evaluation Version: If this Software is identified as a demonstration or evaluation version, you may use it only for the purpose of evaluation and demonstration for the authorized trial period. You may not use it for commercial, professional, or for-profit purposes.
- 1.6 Upgrades: If this Software is labeled as an upgrade to software previously licensed to you, you may only use this Software with the hardware lock provided with the original version of the software previously licensed to you.
- 1.7 Software Patches: Any software patches provided to you by XP Solutions in connection with the Software licensed to you hereunder shall be subject to the terms and conditions of this License Agreement unless otherwise specified at the time of delivery.
- 1.8 Rental or Lease Use: Where a Single Site Version or an Educational Version of the Software is obtained under a lease or rental agreement the defined rental or lease period is to be regarded as the maximum period of use.
- 1.9 Backup Copy: Regardless of which version of the Software you have acquired, this License permits you to make only one archival (backup) copy of the Software.

2. Restrictions

Unless otherwise expressly allowed by this agreement, you may not:

- 2.1 copy or use the Software or Documentation except as permitted by this license.
- 2.2 reverse engineer, decompile, or disassemble the Software.
- 2.3 distribute, rent, loan, lease, sell, sublicense, or otherwise transfer all or part of the Software, Documentation or any rights granted hereunder to any other person or entity including non-registered offices of the Licensee.
- 2.4 install or use the Software on the Internet or over a wide area network, including, without limitation, use in connection with a Web hosting or similar service.
- 2.5 remove, alter, or obscure any proprietary notices, labels, or marks from the Software or Documentation.
- 2.6 modify, translate, adapt, arrange, or create derivative works based on the Software or Documentation for any purpose.
- 2.7 utilize any equipment, device, software, or other means designed to circumvent or remove any form of copy protection used in connection with the Software, or use the Software together with any hardware lock, authorization code, serial number, or other copy protection device not supplied by XP Solutions directly or through an authorized distributor.
- 2.8 use the Software or Documentation outside of the country of purchase, unless the Software and Documentation were purchased in the European Union ("E.U."), in which case use throughout the E.U. is permitted.

3. Copyright

This Agreement does not grant you any intellectual property rights. Title and copyrights to the Software, Documentation and accompanying materials and any copies made by you remain with XP Solutions and its licensors. The structure, organization, and code of the Software are valuable trade secrets of XP Solutions and its licensors. Unauthorized copying of the Software or Documentation, or failure to comply with the above restrictions, will result in automatic termination of this license. You shall also indemnify XP Solutions and its licensors fully against all liabilities, costs and expenses which XP Solutions or its licensor or both as a result of your breach of the copyright provisions of this Agreement.

4. General Limited Warranty

XP Solutions warrants that the licensed materials furnished by it will be free from defects in materials and workmanship under normal use. EXCEPT FOR THE ABOVE EXPRESS LIMITED WARRANTIES, XP SOLUTIONS MAKES AND YOU RECEIVE NO WARRANTIES, EXPRESS, IMPLIED, STATUTORY, OR IN ANY COMMUNICATION WITH YOU, AND XP SOLUTIONS SPECIFICALLY DISCLAIMS ANY OTHER WARRANTY INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. XP SOLUTIONS DOES NOT WARRANT THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE, NOR DOES XP SOLUTIONS WARRANT THAT THE RESULTS GENERATED BY THE CURRENT VERSION WILL BE IDENTICAL TO THOSE OF A PREVIOUS VERSION OF THE SOFTWARE.

The above exclusions may not apply to you as some jurisdictions do not allow the exclusion of implied warranties. In addition to the above warranty rights, you may also have other rights, which vary from jurisdiction to jurisdiction. XP Solutions' entire liability and your exclusive remedy under the warranties made in this Agreement will be, at XP Solutions' option, to attempt to correct or work around errors, to replace the defective media; documentation or copy protection device; or to refund the license fee and terminate this license. This remedy is subject to the return of the defective media, documentation, or copy protection device with a copy of your receipt to your place of purchase within thirty (30) days from the date of its delivery to you. Following expiration of this thirty (30)-day period, XP Solutions will replace any defective or damaged copy protection device in return for payment of an amount that covers the cost of a replacement device plus a fee for handling and shipment.
